Coach Review Packet – Didget/Bronco Divisions

I have prepared a packet for review. I have done best I can to provide the information and an outline used at the meeting. Unfortunately, this lacks some of the explanation on certain items and lacks the emphasizes on some of the topics.

As the town representative I am looking for you to help fill in gaps that might arise.

- So, I recommend looking over material and if there questions contact me prior to reviewing with the absent coach.
- The sign off page MUST be returned to be by 5/10/24
- Appreciate Your Assistance in getting this completed.

OUTLINE {Reference numbers are listed next to topics}

1. Portable Mounds

- ❖ Explain that portable mounds are permitted in league and tournament play but **MUST** meet the minimum requirements established by the league (see item # 1) and the mound **MUST** be used from the beginning of the season (Can't be used in middle or at the end of season or tournament play). Nothing smaller may be used – No Exceptions
- ❖ If there is ANY violation of this - it needs to be reported to League President before start of game

2. Baseballs APPROVED for league & tournament play (see item # 2) Only the balls on this page are approved (new ones may be added – reference link on league home page).

- ❖ It is critical that coaches ensure that **NO OTHER** balls get into the game. As the town representative **MAKE SURE THEY HAVE** plenty of **APPROVED BASEBALLS** for fouls, lost or damaged balls for the duration of all league and tournament games.
- ❖ Any violation needs to be reported to the League President.

3. Score books and Game Changer

Our league rules **REQUIRE THAT** complete names and numbers are documented prior to the start of the game.

4. **Review that the league utilizes ORDER BY NAME LINEUP METHOD (OBN).**

It is the primary format if there are any issues regarding substitutions or batting out of order.

5. **Unannounced Substitutions** – This needs to be reviewed with the primary emphasis that there is NO Infraction and there IS NO PENALTY in these cases (In both items review # 3)

6. **Review the Batting Out of Order Flow Chart** to understand the proper steps if this were to occur. (see item # 4)

7. **2024 PRE-GAME CHECKLIST** (see item # 5)

- ❖ This is found on league website on banner running from left to right.
- ❖ It is recommended that this be reviewed with both coaches and the Umpire prior to the game.
- ❖ **IT IS STRONGLY RECOMMENDED THAT EACH ITEM ON THE CHECKLIST BE REVIEWED WITH/BY COACH** due to the fact that these items have over the course been the **MOST PROBLEMATIC** and **HAVE ISSUES** during games!!

NOTE: COACHES ARE RESPONSIBLE TO READ, UNDERSTAND and FOLLOW ALL OPERATING and FIELD RULES

In addition to the rules reviewed on the Pre-game checklist these other sections are critical:

FR2(h)

FR3 – FBR3(b)

FR4

FR5

FR10

FR12

8. Time Limit Rule

- ❖ **Didgets Division: It is critical to understand the rules and it MUST BE FOLLOWED.**
- ❖ **Time Limit Rule for Bronco is critical to ensure games get over at a seasonal time.**

Note: A pdf version is available on web site

9. Review the Three Line up Options that coaches may use in league or tournament play (see Item # 6 & 7)

10.

Unsportsmanlike Conduct (see item # 8)

- ❖ **Ensure coaches understand that they are responsible for their players, parents, fans and themselves. Due to the increased number of issues this year this type of conduct WILL NO LONGER BE TOLERATED REGARDLESS and ALL DECISION will be decided by the League Officers!!!!**

11.

Intermediate Youth (All Divisions)

3

ORDER BY NAME LINEUP METHOD (OBN) is used by the TriCo League for substitution or batting out of order decisions

UNANNOUNCED SUBSTITUTIONS

If a manager fails to notify the plate umpire of an otherwise legal substitution on the field, what you have is an UNANNOUNCED SUBSTITUTION (5.10(j))

When this happens the substitution takes affect when the player takes his proper position on the field, specifically

The pitcher takes the mound

A batter steps into the batter's box

A fielder takes his defensive position and play begins , OR

A runner takes the place of another runner

Ultimately, you treat an unannounced substitution just like any other substitution.

It is NOT AN INFRACTION and THERE IS NO PENALTY

(even though some opposing managers will try to tell you there is)

4

Improper batter still at bat	Improper batter on base, but no pitch yet to next batter	Improper batter on base and pitch made to next batter
Replace the improper batter with the proper batter	Send improper batter back to dugout	Improper batter normalized; he is now "proper runner"
Proper batter assumes existing count	Nullify all action resulting from improper at-bat	Next batter: the player following the newly normalized "proper runner"
No penalty	Identify the proper batter and call him out	No penalty
	Next batter: the player following the proper batter (who you just called out)	

5

Catchers / Players **MUST** allow runners the opportunity to home plate

Catchers / Players may **NOT** go up the third base line & block the runner from reaching
home plate.

If this occurs, then the Catcher / Player will be called for interference and runner will be
Called **SAFE** - awarded home plate and the run.

Umpire's decisions ARE FINAL

Sliding is **ONLY REQUIRED AT HOME PLATE** IF THERE IS PLAY for an out and a
player is protecting home plate and the ball is catchable then the runner **MUST** slide.

Failure to slide will result in the runner being CALL OUT (NO EXCEPTIONS!)

If an umpire feels there was **CLEAR INTENT** to CAUSE BODILY INJURY BY EXCESSIVE
CONTACT THE UMPIRE MAY EJECT THE PLAYER FROM THE GAME.

Players are then married together for rest of game.
